Subject: 2013 Hazardous Waste Reduction Program Certification
CSX Transportation, Inc.'s Waycross, Georgia, Facility
Post-Closure Care Facility Permit Number HW-049(D)
EPA ID# GAD991275900

In accordance with 40 CFR 264.73(b)(9) and Permit Condition 1.G of Permit Number HW-049(D), and at the request of Georgia Department of Natural Resources-Environmental Protection Division (GAEPD):

"As a Large Quantity Generator, I certify that CSX Transportation, Inc. (CSXT) has a program in place to reduce the volume and toxicity of waste generated to the degree determined by CSXT to be economically practicable; and that CSXT selects the practicable method of treatment, storage, and disposal currently available to CSXT which minimizes the present and future threat to human health and the environment."

CSXT's program is certified annually herein and as signature on each completed Uniform Hazardous Waste Manifest that is executed for the referenced facility.
